

**San Onofre Decommissioning Community Engagement Panel
Regular Meeting
Thursday, May 22, 2014**

Purpose	Southern California Edison has retired the San Onofre nuclear power plant and is preparing for decommissioning. The co-owners of San Onofre convened the Community Engagement Panel, which serves the interests of area communities and fosters open dialogue on matters of local interest. The CEP acts as a sounding board for community feedback to the co-owners on decommissioning issues and activities.
