Subject: Exercise of Section 1.9.6 of Purchase Order 4500024051 for San Onofre Nuclear Generating Station Units 2 and 3 (the "Contract")

Dear Mr. Dietrich:

This letter responds to your April 26, 2013 letter containing SCE's revised list of documents requested under Section 1.9.6 of the Contract. SCE has not narrowed its list in any meaningful respect, and in some cases, the revised list is actually broader in scope than the original one. MNES's position that SCE's document requests go well beyond the rights granted in Section 1.9.6 remains unchanged. MHI continues to stand ready to comply with any reasonable request by SCE to seek the documents actually addressed by Section 1.9.6.

Sincerely yours,

A handwritten signature in black ink that reads "Kiyoshi Yamauchi".
